

2022

Community Building and management for your blockchain project

We help you build, manage and grow your community channels to desired size including nurturing of existing members as well as prevention of spam and misuse.

What We Provide

Growth

Increasing organic growth
and engagement for the
Telegram community

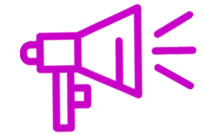

Administration

24/7 English administration
(monitor the users' messages,
detect spam and scam messages,
ban users and delete improper
content and advertising).

Nurturing

Communication with users and
encourage the users to be
interacted on sales, trading,
talking about project.

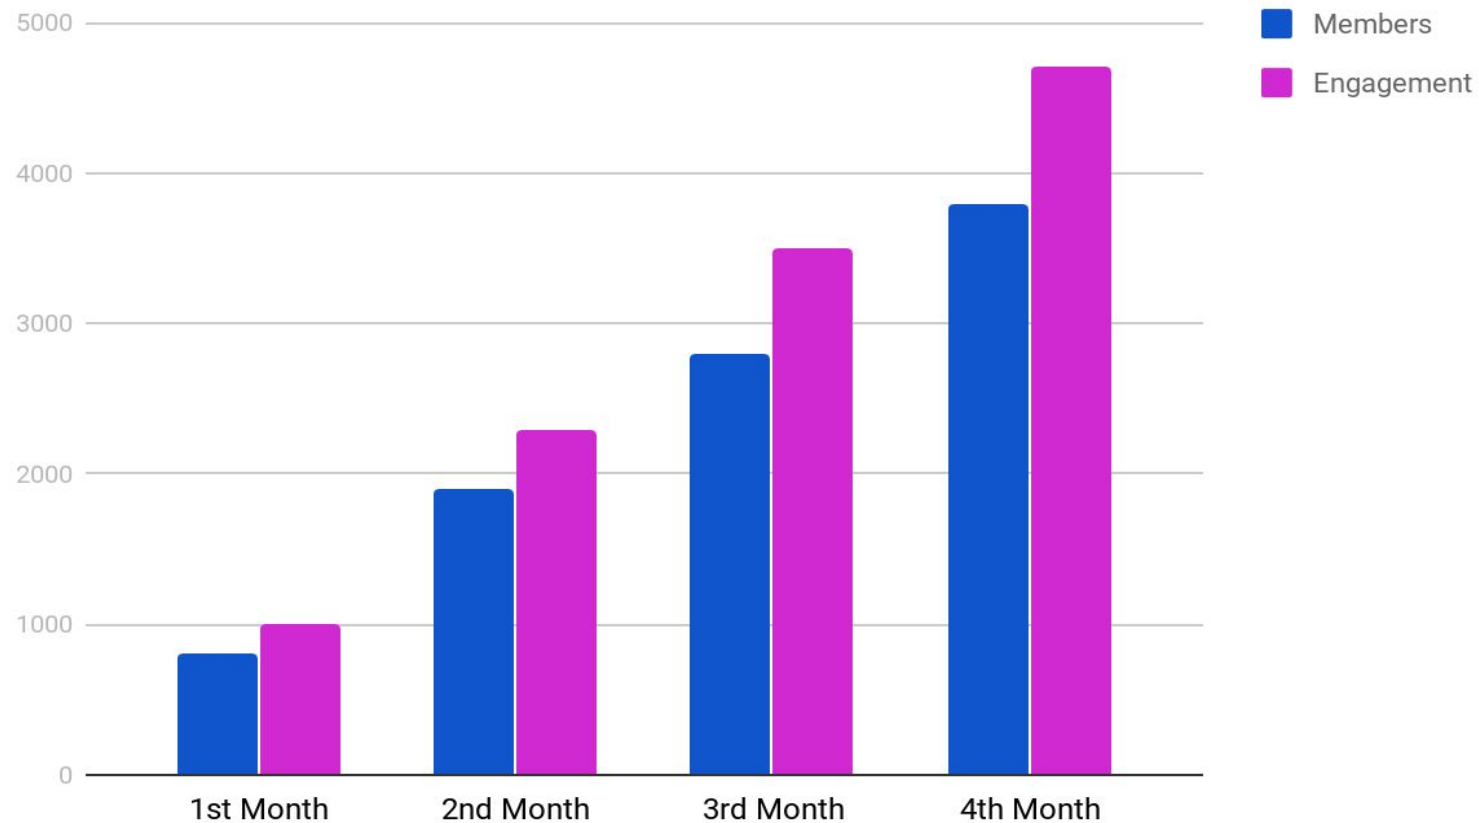

Promotion

We will promote the
community in Facebook,
Reddit blockchain
groups(channels), and
crypto communities.

Predictions for Community Growth

Community increase

We guarantee to grow you each month about 1k new members and convert them to potential traders, investors, and project supporters.
